ARE YOU...

- Thinking about a career change?
- Wanting to move forward in your current career?
- Planning to start your own business?
- Looking forward to moving into the next stage of your life?

THIS WORKSHOP IS FOR YOU!

This **Resiliency - Personal Life Planning Workshop**® is the exploration and discovery of your true life's work, dreams, and passions. During this two day intensive workshop, you will develop a Personal Life Vision and Implementation Action Plan.

Using our Running Start® program, you will leave this workshop prepared with a personal plan for achieving your deepest desires.

During this workshop, you will

- Learn the Personal Catalyst Process for developing your Vision and Implementation Action Plans
- Create your Personal Life Vision, Define What You Really Want, and Create your Legacy
- Develop a short term Action Plan to begin the journey toward your Vision
- Understand how to assist/facilitate others through the Personal Catalyst Process, and identify other opportunities to utilize this process for achieving what is really desired

Full Retail Cost—\$399

THE WORKSHOP

April 16 & 17

8am to 5pm

Hyatt Place, Malta, NY

FACILITATORS

Kat Koppett is the Founder of Koppett + Company and the Training Director of The Mop & Bucket Company. She specializes in using improv techniques in non-theatrical environments and loves collaboration and conversation of all kinds. (Koppett.com)

Jim Francek is a seasoned group facilitator with a background in social work, theology, and ministry. He has a wealth of corporate experience in Human Factors in the workplace and assisting people in all aspects of dealing with personal change. Jim is a adjunct faculty member at the Center for Creative Leadership and is a storyteller in the Native American tradition. (TAVAFullCircle.com)

Ray Patterson is a creative thinker, rooted in practicality, seasoned with caring and compassion. Ray facilitates the Personal Catalyst Process for individuals and organizations, and is a trusted counselor whose advice is often sought. Ray pushes the limits of the impossible or the once thought impossible.

(Vision2Action.net)

A two-hour follow-up session will be scheduled following the workshop

Please bring a Windows-based laptop (or Mac with ability to run Windows-based software) available to use during the workshop.
